4. The advisor for Training will report on the Training Evaluation Form and Manual at the next meeting of the Panel.

5. The Executive Secretary was instructed to ask the CIA Career Service Board to request the individual Office Career Service Boards for comments on the present list of personal qualities (working list number 1, dated 4 May 1953) that the Panel is using as a basis for its criteria in determining suitability.

25X1A 6. The Chairman reported that he had talked with a representative of the [REDACTED]/DD/P concerning case number 38 and case number 48. He was advised that the DD/P proposed to appeal the Panel's recommendation in these cases. The [REDACTED]/DD/P representative requested information on the reasons for the Panel's recommendations but when he was informed that under the Panel's procedure no reasons could be given, the Chairman was advised that not all members of the Panel were so discreet. On the basis of this remark the Chairman stressed that the procedures and materials used by the Panel when considering an individual's suitability are not to be discussed outside the Panel meetings.

25X1A 7. The meeting was adjourned at 4:30 to reconvene at 2:00, 20 May 1953.
